Title: Journal Entry 42

Author: Lord Zyrn

The Fire and Ice are
now both secured
within my knowledge.

Soon the Reckoning
shall come. Soon I will
reign over this husk
of a land.
Not even Aryslan...
not even Haven... not
even the might of a
half dozen townships
will be enough.

Haven has been quiet.
Let us see how well
they can handle
multiple assaults
at once. Divided,
they shall surely
fall...

The Staff remains out
of reach
for now. My scouts
inform me this will
come to change in
several days.Zephyr
has returned.This
shall be too easy.
